They don't even lay eggs..
Just wait till it hatches

Where in the world is that kid?
Not in here either

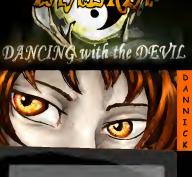
A pretty good chance to shoot a Lord, but 'Noy I need that boy.
He might have run off again
But he won't outrun Boris, he won't



THEY SAY ELLEDORNE IS ONE OF THE MOST
PEACEFUL CITIES

Our first non-human character has been introduced!

It's been a long time and the first few or so chapters will probably be longer to introduce our main characters. But as time goes by, updates will hopefully come faster.

A lot of surprises have been made as well! Our narrator is somewhere in there too.
